

LEGISLATIVE ASSEMBLY
ALBERTA

I want to congratulate the Calgary Learning Centre on thirty years of helping children, youth and adults succeed. The Centre's devotion to helping all Calgarians reach their potential has long served as a standard for success, and I am so proud the Learning Centre is located in my constituency. I wish all the staff the very best in 2009 and look forward to helping the Calgary Learning Centre as it ventures into its next thirty years.

Kind Regards,
