

THE PREMIER OF ALBERTA

Message from Honourable Ralph Klein Premier of Alberta

On behalf of the Government of Alberta, I wish to extend congratulations to the Calgary Learning Centre on its 25th anniversary. Throughout the years, this organization has made outstanding contributions to the community I call home, and I want to express how pleased I am to be able to play a small part in helping you celebrate this milestone.

Things have certainly changed over the past 25 years, and throughout this time the Calgary Learning Centre has continued to evolve to meet the changing and emerging needs of Calgary's communities. You have been able to find real solutions to some tough challenges. You can be proud of the difference you have made and the doors you have opened for so many people. This organization has been, and remains, a touchstone in many lives.

Again, congratulations on 25 years of success. The Calgary Learning Centre is a proud part of the history of Alberta, and may you remain a vital part of its future.

Ralph Klein
